

Scholarship application form

Assyrians Without Borders (AWB) is a non-profit organization working to improve living conditions for Assyrians (also called Syriacs and Chaldeans) in the native country.

It is a well-known fact that education is one of the most essential factors that contribute to the well-being of an individual. This is more evident in the Middle East than in the western world where conditions are different. As a result, AWB regards the financial assistance of Assyrian students in their native countries as a constructive and evident form of support, one that will help each of them to secure a successful future.

The criteria to apply for AWBs scholarships are that the applicant:

- a) Is Assyrian
- b) Lives in Turkey, Iraq, Iran, Syria or Lebanon
- c) Is admitted to university studies

Awards are made at the discretion of the Scholarship Committee based on the availability of funds, and the final decision is taken by the AWB Committee. If granted a scholarship, you will receive all the granted funds when the decision is taken.

Please read the instructions carefully. Scholarship awards will be based on your application, personal essay, goals, honors/activities, letter of recommendation, and financial need (when applicable).
